

# UNIVERSAL GOGGLE

## ADAPTABILITY & PIONEER

The Universal Goggle provides optimum protection and comfort in all circumstances thanks to its ergonomic design. This innovative goggle with its exclusive Platinum coating is available in several versions, each adapted to a specific work environment to offer more peace of mind and efficiency for the worker. Equipped with 'Wave' technology, the Universal Goggle adapts perfectly to each user's morphology, eliminating gaps without increasing pressure points, thus guaranteeing superior protection without compromising the user's comfort. To improve the environmental impact of the product, it has been specifically designed to be easier to recycle: it can be quickly disassembled to separate the materials from each other.
