LINK 2.0 HELMET MOUNT EN 352

Model: IT-70

Color: Safety Orange

Product: Helmet-mounted, over-the-ear hearing protection with Bluetooth connectivity. Optional boom mic attachment enhances communication in loud environments. Highly durable with sweat and water resistance.

Applications: Designed for regulated professionals who require certified hearing protection that ensures complete safety but remains unobtrusive while working in loud environments. Ideal for those who need to use communication devices such as phones, two-way radios, or mesh networks on the job.

Standards and Approvals: This product has been tested and approved to ANSI S3.19-1974, EN 352-3:2020, EN 352-6:2020, EN 352-8:2020 standards. It also complies with FCC, CE RED, UKCA, RoHS, and WEEE requirements.
